

Elect **Doug Johnson**
School Board

Cunningham District Fluvanna County

Believe in our Dream

No Child Left Behind and
Excellence for those that want it.

Education = Academics + Values

Values taught at home should be reinforced at
school and certainly not undermined

Fresh Eyes = Fresh Ideas

Protecting traditional family values
Promoting responsible fiscal policies

Failure is not an option!

All students must be taught reading,
writing, and arithmetic now - not in 5 years.
